

Comfort C.L.U.B. Investment Plans

Annual A/C Performance Tune Up

• Having your A/C checked regularly enables us to keep your unit running as efficiently as possible.

Heating Performance Tune Up

• **True or False?** Checking the A/C portion of the system is all that is needed. **False!** Heating also needs to be maintained every year.

Annual Condenser Coil Cleaning

• Tests performed by the EPA explain that as little as 1/10th of a centimeter of dirt or dust on a coil can affect the efficiency by **21%**.

24 Hr. Priority Service

• We guarantee a 24 hour response time when a challenge occurs with your comfort system, 365 days a year.

20% Off Parts / Repairs

• Never pay full price again while maximizing the life expectancy of your system.

Transferrable Membership

• Membership transfers to a new house within our service area, a new unit or new owners.

\$45 Reduced Diagnostic Fee

• Save money when you need it! Technician service demand calls to your home will be diagnosed at the reduced membership rate.

No Trip / Travel Time Fee(s)

• Rest assured - there are no travel time fees for responding to a challenge you may experiencing after hours or weekends.

10% Off New Equipment Installations

• Older unit? Whether economy or high efficiency - these Comfort C.L.U.B. members receive an average savings of \$500 - \$1000 on new equipment.

Lifetime Parts Warranty!

• Whatever parts we replace, you will be covered on a parts & labor warranty for the life of your membership plan!

Did you know...

The number 1 cause of HVAC repairs is **DIRT**. On the filter, the blower, and on the cooling coils!
-Energy.gov

"Not Having An Annual Maintenance Will Reduce Your A/C's **EFFICIENCY** By 5% Every Year!"
- City of Scottsdale Green Building Program
